Clinical Professor in the Department of Family and Community Medicine

University of Illinois, College of Medicine

Chicago, IL

May 2009 — Present

Associate Clinical Professor of Emergency Medicine

April 2006–May 2009

Assistant Clinical Professor of Emergency Medicine

The University of Texas Medical Branch

Galveston, TX *July 2005 — September 2011*

Assistant Clinical Professor Department of Surgery, Division of Emergency Medicine

Texas A&M University College of Medicine

College Station, TX *February 2003 — June 2005*

Assistant Clinical Professor of Emergency Medicine

CERTIFICATION AND LICENSURE

National Disaster Response: ICS-100, ICS-200, IS-700, IS-800, Federal Emergency Management Agency (FEMA)

August 2019 — Present

Fellow, American Academy of Emergency Medicine (FAAEM)

October 2005 — Present

Fellow, American College of Emergency Physicians (FACEP)

September 2005 — Present

Distinguished Fellow of Teaching, American College of Emergency Physicians Teaching Fellowship

March 2007

Certified Diplomate, American Board of Emergency Medicine

2003 — Present

No. 00220879

Licensed Physician, State of Illinois

2004 — Present

No. 36110624

Licensed Physician, State of Texas

2002 — Present

No. L5682

Licensed Physician, State of Indiana

2000 — Present

No. 01054079A

ACLS Instructor/ PALS Instructor / ATLS Instructor Potential

1999 — Present

Departmental Certification in Emergency Department Ultrasound

Advocate Christ Medical Center & Darnall Army Medical Center September 1999 — June 2009

EDUCATION

Darnall Army Medical Center

Fort Hood, TX July 1999 — June 2002

- Completed Emergency Medicine Residency in the busiest (highest volume) emergency department in the US Military
- Affiliated teaching hospital of Texas A&M University and Uniformed Services University of the Health Sciences, Bethesda, Maryland

Feinberg School of Medicine, Northwestern University

Chicago, IL June 1999

- M.D. Degree
- Honors Program in Medical Education

Northwestern University

Evanston, IL May 1995

- B.A. Degree in both Biology and Psychology

MANAGEMENT-RELATED EXPERIENCE

Emergency Medicine & Disaster Care Consultant, United Nations General Assembly

September 2019

- Presented to the Partnerships Division of UN Women and New York Metro Chapter of US National Committee
- Discussed potential areas of future collaboration on how to prepare cities for terrorism, missiles, microbes, and natural disasters
- Presented on emergency medical services, disaster medicine, mass casualty care, and health technology
- Helped raise awareness for gender equality in healthcare through UN Women

Chief Medical Officer & Co-founder, liveClinic, Inc

May 2015 — Present

- Co-founded liveClinic which is the world's first and fastest growing platform to store personal health records. The platform is secure, free, and users get rewarded to stay healthy
- Provide medical oversight for liveClinic platform allowing everyone to sign up in seconds, visit as many clinics as needed and securely store their data, find all their health history in one place, and earn points for being healthy. Points are redeemable for products and services from liveClinic MyRecords marketplace

- Launched platform in 155 countries in 6 languages
- www.liveClinic.com

County/City Medical Director, Odessa Fire Rescue

Ector County & Odessa, TX June 2010 — Present

- Manage pre-hospital life-saving treatment through dispatch and ambulance providers all of whom practice directly under my medical supervision

July 2010 — June 2013

- Provided leadership and governance for the AOTA which has over 43,000 members and represents 130,000 Occupational Therapists in the workforce
- Provided expertise on the role of Occupational Therapists in assisting returning wounded combat veterans
- Provided physician perspective on healthcare reform and the role of Occupational Therapists in the future

Pediatric Emergency Department Operations Committee Member

August 2005 — June 2009

Advocate Christ Medical Center

- Key physician member of a committee which oversees daily operations of one of the leading pediatric emergency departments

Website Committee Member

March 2008 — June 2009

Advocate Christ Medical Center

- Key faculty member of a committee which meets monthly to create and maintain departmental website

Educational Committee Member

November 2007 — June 2009

Advocate Christ Medical Center

- Core faculty member of a committee which meets monthly to address ongoing issues in resident and medical student education

Council of Residency Directors (CORD)

September 2005 — June 2009

- Improve the quality of emergency medical care by enhancing the quality of instruction in emergency medicine training programs and maintaining

high standards

- Share insight and ideas regularly with faculty of other emergency medicine training programs

ED Directors Course

April 2005

Sponsored by the American College of Emergency Physicians, San Antonio, TX

- Attended course for new medical directors and those aspiring to be medical directors
- Discussed the responsibility of medical directors, performance measures and how to use them to improve ED operations, physician credentialing, orientation, staffing, scheduling, methods to reduce delays and improve patient flow, and critical elements for implementing successful customer service programs and quality improvement/patient safety programs
- Interacted with experienced ED directors

Director of Risk Management & Quality Improvement

July 2002 — January 2004

Department of Emergency Medicine, Darnall Army Medical Center

- Functioned as Patient Representative Liaison and resolved patient complaints
- Coordinated monthly Morbidity/Mortality Conference, staff peer review, and medical record review and incorporated these into resident physician education
- Addressed ongoing performance improvement (PI) initiatives and led monthly QI/PI meetings
- Revised procedures for follow-up of abnormal laboratory and discordant radiology results
- Improved ED throughput times significantly by developing protocols for admission of patients which significantly improved the care provided in the emergency department
- Helped maintain the quality of an already exceptionally high level of emergency care and significantly reduced department's malpractice litigation exposure

Associate Residency Director

February 2003 — January 2004

Department of Emergency Medicine, Darnall Army Medical Center

- Coordinated residency related issues and supported graduate medical education requirements
- Supported residency director in both academic

and administrative issues

- Performed internal review of family practice residency program to prepare for Residency Review Committee
- Represented emergency department at various meetings

Interim Department Chief, Interim Residency Director, Interim Med Student-Rotating Resident Coordinator

May 2003 — July 2003

Department of Emergency Medicine, Darnall Army Medical Center

- Performed the above duties during the overseas military deployment of key staff personnel

EDUCATIONAL-RELATED EXPERIENCE

Founder, KeepYourInnerArmyStrong.com

January 2018 — Present

- Founded an online portal to provide authoritative, real-time medical, health & fitness information from a variety of trusted sources
- This website serves to be a transformative force in the healthcare industry and shape both the discussion and journey towards optimal healthcare choices that are doctor-patient based

Founder & CEO, AceYourBoards.com

March 2005 — Present

- Founded an online portal through which Dr. Bose's medical content and textbook has trained over 1 million physicians including several hundred medical leaders
- This website serves as a portal to the websites below

Co-founder & CEO, LLSAPrep.com

March 2005 — Present

- Founder and manager of a nationally top-ranked on-site and online course reviewing the American Board of Emergency Medicine Lifelong Learning and Self Assessment readings required for continuous board certification in emergency medicine
- This cutting edge course helps improve public health by enriching physicians' clinical knowledge on the urgent and changing needs of Americans, as evidenced through higher board examination scores
- www.LLSAPrep.com

Co-founder & CEO, ConCertPrep.com

February 2008 — Present

- Founder and manager of a nationally top-ranked on-site and online course review for the American Board of Emergency Medicine's recertification exam (ConCert) taken by emergency physicians every 10 years to maintain board certification
- www.ConCertPrep.com

Co-founder & CEO, InTrainingPrep.com, Abemprep.com

February 2008 — June 2013

- Founder and manager of a nationally top-ranked on-site and online course review to prepare resident physicians for the annual in-training exam and the American Board of Emergency's Qualifying (Board) Exam
- www.Intrainingprep.com, www.ABEMprep.com

Founder & CEO, StudyNCLEX.com

September 2010 — Present

- Founder and manager of leading online review course designed to prepare nurses for their certification (NCLEX) exam

Co-founder & CEO, TexasJurisprudencePrep.com

September 2009 — Present

- Founder and manager of website aimed to assist physicians licensing in the state of Texas
- Designed a focused review of the content covered on the Medical Jurisprudence Examination required for state licensure
- www.TexasJurisprudencePrep.com

Founder & Coordinator, "Emergency Medicine Written Board Examination Review Curriculum"

1999 — Present

Darnall Army Medical Center

- Founded and created a multifaceted curriculum for resident mastery of core concepts in emergency medicine
- This curriculum led Darnall Army Medical Center to achieve the number one score in the nation among over 125 civilian and military residency programs on the A.B.E.M Annual In-training Examination for seven years in a row (2000-2006)
- Advocate Christ Medical Center*
- Coordinate a multifaceted curriculum for resident

mastery of core concepts in emergency medicine (“Study Guide Curriculum”)

- Incorporate innovative audience response technology to improve interaction and learning (in use by less than 1% of residency programs)
- This curriculum has led Advocate Christ Medical Center to achieve the number one score in the nation among over 140 residency programs on the 2007, 2008 and 2009 A.B.E.M. Annual In-Training Examination

International Keynote Speaker on Leadership, www.DocBoseSpeaker.com

July 1999 — Present

- Use prior experience as an Iraq war veteran and physician to deliver keynotes on leadership, health-care, and medicine for corporations, government entities, non-profit organizations, and special events
- Inspire and engage through a multimedia virtual tour of the combat zone and emergency room as demonstrated through photographs and video footage
- Funds raised from speaking benefit injured veterans and their families
- Over 100 speaking appearances including keynotes for the American Medical Association, TEDx Chicago, Capitol Hill, Show of Support: Hunt for Heroes, Mayo Clinic, Johns Hopkins, and more.
- Learn more at DocBoseSpeaker.com (scroll down to bottom of page for downloadable speaking deck)

Instructor, CME RESOURCES® Physician Assistant Review Course for PANCE/PANRE

August 2009 — 2010

- Lecturer for the leading national board exam review course for physician assistants. 97% of attendees pass the PANCE/PANRE (certification and recertification exam). www.cmeresources.com

Assistant Director of Simulation Training

September 2005 — June 2009

Advocate Christ Medical Center

- Trained physicians proper methods to patient care in different emergency scenarios using Sim-Man® and Sim-Baby®
- Prepared military medics for combat casualty care during Operation Iraqi Freedom
- Taught at over 50 venues including Chicago Medical Society 2007 Midwest Clinical Conference and 2007 Advocate Trauma Symposium

Instructor, Trauma Procedure Lab

September 2005 — June 2009

Advocate Christ Medical Center

- Trained emergency physicians proper techniques for critical life-saving procedures in animal laboratory

Founder, Evidence Based Medicine Curriculum

July 2003

Darnall Army Medical Center

- Created a curriculum to keep emergency physicians updated with the current medical literature and on its application to patient care
- Curriculum consists of monthly evidence-based reviews of various emergency medicine topics and coordinated discussions at grand rounds conference
- This curriculum is still in use and has gained recognition in the emergency medicine community

Examiner, Emergency Medicine Oral Board Review Course

2003, 2005 — 2009

- Tested examinees using several hypothetical medical cases necessary for board certification in emergency medicine
- Examiner at Government Services Chapter A.C.E.P. oral board review course
- Examiner at Cook County Hospital State Wide Oral Board Review Course
- Examiner at Illinois College of Emergency Physicians Oral Board Review Course
- Invited as examiner during A.A.E.M. oral board review course held at four national locations and will accept opportunity to teach at future review course

ACEP Teaching Fellowship

2007

- Selected for prestigious fellowship in 2002 and completed in 2007
- Master Educator — ACEP Teaching Fellowship

Teaching Seminar

March 2001

- Attended lecture on effective teaching techniques for medical students and residents

Combat Casualty Care Course

June 2000

- Functioned as squad leader for top honors squad
- Trained in applying ATLS, triage, mass casualty, and chemical and biological warfare care at different echelons

Leading Physician of the World

The International Association of Healthcare Professionals

Selected in every annual edition, 2013 — Present

- Selected by a research team which collects data from a variety of different resources such as education, medical affiliations, consumer reviews, medical/research contributions and more
- The International Association of Healthcare Professionals nominates the top 1-2% in each specialty

Guide to America's Top Emergency Physicians

November 2006 — Present

- Selection process based on point value system that awards points for education, years in practice, affiliations with professional associations
- Available online at:
<http://www.consumersresearchcncl.org/Healthcare/emerg-med-phys/emergencymed.html>

America's Health Care Leader

January 2011

- Selected by the American College of Emergency Physicians and Health Leaders Magazine

National Finalist, White House Fellowship

May 2009

- Selected as a top 30 finalist out of over 2,000 applicants for the prestigious leadership and public service fellowship in the White House

Hero of Emergency Medicine

*American College of Emergency Medicine
March 2007*

- Recognized for making significant contributions to emergency medicine, communities, and patients during ACEP's 40th anniversary campaign

National Faculty Teaching Award

*American College of Emergency Physicians
June 2007*

- Awarded the highest national teaching award based on contributions made to academic emergency medicine as well as to the community

CNN Hero

September 2006

- Recognized as a "CNN Hero" for serving one of the longest continuous frontline combat tours by a physician since World War II, earning the Bronze Star, and for serving as the US physician who treated Saddam Hussein after his capture from the spider hole

Outstanding Resident Evaluations, Teaching

*Advocate Christ Medical Center
2005 — 2009*

Attending Physician of the Year

*Darnall Army Medical Center
2002 — 2003*

Outstanding Senior Resident of the Year

*Darnall Army Medical Center
2001 — 2002*

Highest Score in the Nation on American Board of Emergency Medicine Exam

2002

- Achieved the top score in the nation among over 3650 test takers in over 120 residency programs nationwide
- Answered 97% of questions correctly

Multiple Letters of Appreciation from Patients and Family for Care Provided

MILITARY SERVICE

Honorable Discharge

August 2007

Major

June 2005 — August 2007

Captain

June 1999 — June 2005

Second Lieutenant

December 1995 — June 1999

Meritorious Service Medal Fort Hood, TX
June 2005

The Presidential Unit Citation

Operation Iraqi Freedom
April 2005

- The Army's highest unit award
- Presented by the President of the United States for "extraordinary heroism in action against an armed enemy" and "accomplishing the mission under such extremely difficult and hazardous conditions to set it apart from and above other units participating in the same campaign"

The Bronze Star

Operation Iraqi Freedom
September 2004

Two Army Commendation Medals

Operation Iraqi Freedom
