

WORK EXPERIENCE – BUSINESS

FOUNDER

THE BATTLE CONTINUES 501(c)(3) PUBLIC CHARITY

March 2014-Present

- The Battle Continues, Inc. is a 501(c)(3) nonprofit charity aimed to provide medical assistance to injured veterans who have returned from war
- 100% of all online donations goes directly to injured veterans because Dr. Bose covers all administrative and marketing costs
- All donated dollars are used to write a check to injured veterans to cover medical costs as directed by the Board of Directors
- www.HelpforPTSD.org - Free, anonymous and confidential self-help program for veterans who are dealing with the aftereffects of war from guilt, survivor guilt, combat stress, PTSD and more, and for the families, friends and colleagues who love them
- TheBattleContinues.org

ACEYOURBOARDS.COM

March 2005-Present

- These cutting edge Edtech courses help improve public health by enriching physicians' and nurses' clinical knowledge on the urgent and changing needs of Americans, as evidenced through higher board examination scores
- AceYourBoards.com serves as a portal to Dr. Bose's other exam preparation courses listed below:
 - Emergency physicians: ABEMPrep.com (serving approx. 40,000 emergency physicians/year)
 - Nursing students: StudyNCLEX.com (serving approx. 60,000 nursing students/year)
 - Texas Physician Jurisprudence Exam: TexasJurisprudencePrep.com (serving approx. 2,000 physicians/year)
 - Best-seller "High Yield Emergency Medicine" textbook
- These exam preparation courses have trained over 1 million physicians, including several hundred medical leaders
- Led all aspects of developing and executing the business model to include content creation, coordination of website programming, online marketing, and sales. Companies reached profitability in the first year and portion of sales benefit injured combat veterans
- Pivoted with changing certification requirements
- Honored to be recognized by several thousand fellow physician testimonials as a market leader
- AceYourBoards.com

KEEPYOURINNERARMYSTRONG.COM

January 2018-Present

- Founded an online platform to provide authoritative, real-time medical, health & fitness information from a variety of trusted sources
- This website strives to be a transformative force in the healthcare industry and shapes both the discussion and journey towards optimal healthcare choices that are doctor-patient based

BEST-SELLING AUTHOR, "High Yield Emergency Medicine" Textbook

Updated Annually

- Considered a standard text which has helped thousands of physicians deliver a higher quality of emergency care
- Best-seller in the specialty of emergency medicine for physicians, residents and students, advance practice providers, emergency nurses, emergency medical technicians, and paramedics
- 600+ page emergency medicine textbook utilized by emergency physicians to prepare for the emergency medicine written board exam

- Covers everything from prehospital care, disaster preparedness, and basic and advanced resuscitative techniques, to all the significant medical, traumatic, and environmental conditions requiring emergency treatment in adults, children, and newborns
- Cutting-edge memorable layout allows busy emergency physicians to expedite study time and pass exams quickly and translate the content into life-saving care
- Weaves key principles, descriptions, and concrete examples into chapters to provide a foundation that shapes vital health policy issues to help guide finance, organization, and payment insights and effective ways to make our healthcare system better for everyone

CO-FOUNDER, CHIEF MEDICAL OFFICER – liveClinic, Inc

May 2015-Present

- Co-founded liveClinic and provided medical expertise in creation of telehealth platform, electronic health record, and patient data acquisition tool
- Advised and assisted liveClinic CEO with the following:
 - Launching a telehealth solution for 120 clinics on mobile application
 - Creating an EHR (Electronic Health Record) for 22 oncology medicine practices
 - Designing a personal health record storage platform launched in 155 countries in 6 languages
 - Launching a solution for oncology clinical trial sites to recruit patients for clinical trials
 - Creating platform for Life Science customers to identify clinical trial matching patients from EHR in minutes
 - Establishing a free COVID-19 solution using Amazon Web Services to address the needs of remote villages in Alaska
 - Fundraising, recruiting, customer acquisition, defining product strategies, product roadmaps, investor relationship management, growth and exit strategies

ADVISOR

STRATEGIC ADVISOR – VENTURE CAPITAL, PRIVATE EQUITY, FORTUNE 500

2007-Present

- Subject matter expert for strategy & product development to maximize efficiency and profit and decrease cost

MEDICAL ADVISORY BOARD, Dr. B (HiDrB.com)

December 2021-Present

- Serve as Medical Advisor to Dr. B and helped start telehealth platform making prescription medications more affordable & accessible for anyone, including no-cost care to low-income Americans
- Dr. B's mission is to make healthcare access more efficient and equitable
- Dr. B serves over 40 states with "Visitless Prescriptions"
- \$8 million raised from Lerer Hippeau, Founders Fund and other investors (August 2022)
- Founded by Cyrus Massoumi, founder and former CEO of Zocdoc:
 - Zocdoc services reach 40% of the US population in 1900 cities
 - As CEO, Massoumi raised \$220M. Some of their investors included: Amazon founder Jeff Bezos, Salesforce CEO Marc Benioff, Goldman Sachs, founder of SV Angel Ron Conway, Khosla Ventures, DST, Atomico and the Founders Fund among others
 - In August 2015, the company was valued at \$1.8 billion
 - Zocdoc was recognized as a Best Place to Work both in New York and Arizona for four consecutive years
- HiDrB.com

HEMCON MEDICAL TECHNOLOGIES

September 2007-December 2010

- Selected by the president of company as one of two physicians to provide medical and military expertise in product development and strategy
- Acquired by Tricor Biomedical, Inc in 2016

INTERNATIONAL CORPORATE KEYNOTE SPEAKER ON LEADERSHIP

July 1999-Present

- Represented by the top speaking agencies in the United States
- Use prior experience as an Iraq war veteran and physician to teach leadership lessons and by giving keynote talks to businesses and organizations around the world
- Provide a virtual tour of the combat zone and emergency room as demonstrated through photographs and video footage
- Speaking fees benefit injured veterans

- Over 100 appearances including keynotes for Fortune 500s, Federal Home Loan Banks, American Medical Association, TED, Capitol Hill, Veteran events, University of Oxford, Mayo Clinic, United Nations, etc. (appearances available upon request)
- Downloadable speaking deck on DocBoseSpeaker.com

MEDICAL EXPERT WITNESS – EMERGENCY MEDICINE

July 2005-Present

- Serve as an expert witness in the field of Emergency Medicine

WORK EXPERIENCE – CLINICAL

PUBLIC HEALTH

COUNTY EMS MEDICAL DIRECTOR - ECTOR COUNTY, TX

CITY EMS MEDICAL DIRECTOR - ODESSA, TX

June 2010-Present

- Manage pre-hospital life-saving treatment through dispatch and ambulance providers all of whom practice directly under my medical supervision
- Review and revise protocols used in the field by pre-hospital personnel to include the most current evidence-based research
- Provide directorship for SWAT team. Duties include medical support in assisting team members with hostage rescues, counter-terrorism operations, high risk arrest, subduing barricaded suspects, and engaging heavily armed criminals
- Facilitate in-service education to pre-hospital providers to ensure the most up-to-date knowledge base

<ul style="list-style-type: none"> • Past national ATLS instructor • Experienced ATLS provider 	
BASIC LIFE SUPPORT (BLS)	1999-Present
<ul style="list-style-type: none"> • Past national BLS instructor • Experienced BLS provider 	
DEPARTMENTAL CERTIFICATION IN EMERGENCY DEPARTMENT ULTRASOUND	September 1999-Present
Medical Center Hospital, Advocate Christ Medical Center & Darnall Army Medical Center	

RESEARCH EXPERIENCE AND PUBLICATIONS

Author, "Cricothyrotomy and Transtracheal Jet Ventilation." In: Roberts J, ed. Roberts & Hedges' Clinical Procedures in Emergency Medicine. Elsevier Publishing; 2014: 110-123.

Author, LLSA Prep Annual Workbooks (2004-2022)

- Nationally distributed review of the American Board of Emergency Medicine Lifelong Learning and Self-Assessment readings required for continuous board certification in emergency medicine
- Approximately 100 pages per workbook per year

Contributor, "Innovations From a Decade of War", Published in Annals of Emergency Medicine, Vol 6, No. 6, page 13A, December 2012

Author, "Measures of Stress and Learning Appear to be Equally Affected Among all Roles in a Simulation Scenario", Publication in Simulation in Healthcare, 2009 Fall;4(3):149-54. Published in Pub Med - PMID: 19680081. Article cited in American Journal of Surgery, volume 201, issue 1, year 2011 (page 24-30)

Author, "Hybrid Simulation Combining a High Fidelity Simulation Scenario with a Pelvic Ultrasound Task Trainer Enhances the Training and Evaluation of Endovaginal Ultrasound Skills" Published in Academic Emergency Medicine, Vol 16, Issue 5, page 429-35, May 2009. PubMed: PMID: 19388924 [PubMed - indexed for MEDLINE]. Abstract presented at SAEM Annual Meeting, Washington, DC, May 2008

Contributor, "Wound Management Aids Infection Control", Published in Acuity Care Technology, April/May 2008, Volume 48, Issue 2

Contributor, "Combat Zone", Published in *Managing Infection Control*, April 2008, Volume 8, Issue 4

Author, "Heart Rate, Stress and Learning are Independent of Role in High Fidelity Simulation," Abstract accepted for SAEM Annual Meeting, Chicago, IL May 2007; Abstract accepted for ICEP Spring Congress March 2007; Presented at the 4th annual Mediterranean Emergency Medicine Conference (MEMC IV) September 15-19, 2007. Abstract submitted to *Academic Emergency Medicine Journal* 2008.

Author, "Emergency Medicine Essential Medications: An Intern's Introductory Guide"

Authored a reference that is regularly used at various hospitals in the Chicagoland area by both resident and attending physicians

Author, "Nuclear Radiation Exposure," Published in Newsletter to all NYC Paramedics July 2006; Published on *eMedicine Journal*, August 2003; Coauthored review article on ionizing radiation and acute radiation syndrome

Author, "Clinical Course and Drug Levels Following Citalopram Overdose in an Infant," Published in *Clinical Toxicology* 44:165-168, March 2006; Published in *Journal of Toxicology-Clinical Toxicology*, Vol. 41 (4), 548. Presented at European Congress of Clinical Toxicology, Rome, Italy, May 2003

- Coauthored case report of first reported pediatric symptomatic Celexa ingestion in the literature

Author, "The Unusual Effect of Position on the Focused Abdominal Sonography for Trauma Exam," Abstract Accepted for Publication at A.C.E.P. 2005 Scientific Assembly, September 2005

Author, "Combitube Dual Lumen Esophageal Airway Device Retention Skills in Deployed Army Combat Medics," Selected for Presentation SAEM National Meeting in New York, May 2005; Abstract Selected for Publication "*Academic Emergency Medicine*," May 2005

Author, "Mitigator vs. Calamine for the Treatment of Imported Fire Ant Envenomation," Submitted to *Wilderness and Environmental Medicine*; Selected for Presentation SAEM National Meeting in New York, May 2005; Selected for Publication "*Academic Emergency Medicine*," May 2005

Author, "A.C.E.P. Baghdad Chapter...Members Needed," Published front page in *American College of Emergency Physicians News*, September 2004

- Written to describe the experiences gained practicing emergency medicine in a combat environment

Author, "A False Elevation of Bilirubin in the Blood and Urine of a Naproxen Overdose Patient," *Journal of Toxicology-Clinical Toxicology*, Vol. 42 (5), 793. Presented at North American Congress of Clinical Toxicology, Seattle, WA, 2004

Author, Response to "C-Reactive Protein in Febrile Children 1-36 Months Age with Clinically Undetectable Serious Bacterial Infection," Published in *Pediatrics* in December 2002, January 2002

- Provided feedback to authors regarding their study

- Considered for publication in subsequent issue of the journal

Author, "Facial Fractures: A Clinical Case Photograph," Presented at SAEM National Meeting in St. Louis, MO, 2002

- Submitted clinical case photograph in conjunction with Dr Tamara McReynolds, Faculty at Darnall Army Medical Center

Research Assistant, "Continuing Medical Education in the Emergency Department,"

February 2001

- Nationwide survey of emergency physicians on current continuing medical education (CME) trends

Author, "The Army Officer and Doctor...A Blending of Two Worlds," January 2001

- Referenced and assimilated approximately ten military sources and made available to other Army Officers

Author, "Operating Systems and Web Access in Illinois Emergency Departments (OSWAIED) Study" Published in "*Academic Emergency Medicine*," Dec 1999; Abstract Presented at SAEM National Meeting, 1999; Quoted in "*Emergency Medicine News*" March 2001; Quoted in *USA TODAY*,

- Collected and analyzed data from phone surveys conducted 1998-1999 of Illinois Emergency Department computer operating systems, internet access, and its impact on direct patient care--under the mentorship of Dr. Jonathan Handler of Northwestern University Emergency Medicine Department

Author, "Acetaminophen" Chapter for Toxicology Lecture Series for CD ROM, January 2000

- Lecture series sold to other emergency medicine physicians at annual ACEP meeting in 2000. Lecture given at Darnall Army Medical Center

Author, "Heavy Metals" Chapter for Toxicology Lecture Series for CD ROM, January 2000

- Lecture series sold to other emergency medicine physicians at annual ACEP meeting in 2000. Lecture given at Darnall Army Medical Center

Author, "Withdrawal Syndromes" Chapter for Toxicology Lecture Series for CD ROM, January 2000

- Lecture series sold to other emergency medicine physicians at annual ACEP meeting in 2000. Lecture given at Darnall Army Medical Center

Research Assistant, "Use the Wait to Educate," July 1999- June 2000

- Coordinated script narration, filming, and distribution of patient-g geared educational video series distributed nationwide to emergency department waiting rooms--under the mentorship of Dr. Matthew Hughes of Darnall Army Medical Center
- Sponsored by the Government Services Chapter of American College of Emergency Physicians

ED Academic, January 1998-1999

- Initiated and completed an interactive web-based search engine to assist medical students of the greater Chicago area and beyond in retrieving information and communicating with emergency medicine research preceptors of specific projects--under the direction of Dr. Jonathan Handler, Northwestern University

PEPID (Palmtop Emergency Physician Information Database), July 1998

- Contributing author to multiple subjects featured in the first ever personal digital assistant emergency medicine database--under the guidance of Dr. Mark Rosenbloom of Northwestern University
- Advertised regularly in multiple emergency medicine sources including Emergency Medicine News

Contributor, First Aid for USMLE Step 1, 1998 edition

- Contributions selected for publication in the best-selling USMLE Step 1 Review Book

Book Foreword and Back Cover Testimonial. In: Berg S, ed. Wars End With Me. Independent Publisher; 2018.

Book Foreword and Back Cover Testimonial. In: Moore G, ed. The Final Service. Savas Beatie LLC Publisher; 2016.

Book Foreword and Back Cover Testimonial. In: O'Brien Walker H, ed. Don't Give Up, Get Up! Breakthrough Media Network Publisher; 2014.
